

AIPTEK debuts the Apex Projector Series with the stunning AV performance of the flagship P800 mini

Global Aiptek Corporation, the world-leading Pico projector designer and manufacturer, will be launching its latest product series and the flagship of its next generation smart Pico projectors – P800 mini.

“P800 mini is our latest expression of visual spectacles that amaze anytime, anywhere” said Frank Sheu, CEO, Global Aiptek Corporation. “We’re proud of our efforts in producing P800 mini with cutting edge technology and crafting a product that will deliver a superior user experience for both our consumer and business customers.”

Headlined with the top-embedded 5.2" inch high-resolution Full HD touchscreen 64 bits Android 5.0 tablet, can playback 4K video, it is powered by the Android operating system providing full APK compatibility. Beneath the touchscreen, the enclosure of P800 mini features a sleek and seamless unibody with a stunning anodized aluminum finish.

A unique quad directional 4 speakers arrangement, at 30 watts, boasts professional acoustics combining powerful bass with clear high and mid tones, creating a spectacular 360 degree listening experience within any environment. Matched with a built-in MIC and AUX port, it is ideal to conduct group teleconference meetings, used as a PA system in any location or enjoy the Karaoke time

With the DLP projector brightness rated at 800 lumens, P800 mini is capable of creating stunning visuals at a native resolution of 1280 x 800 pixels (WXGA). Projected screen size can beam content up to 120 inches (305 cm) with bright, vivid, sharp and delivers precise colour tones for cinema quality familiarity.

With dimensions of only 5.4 x 5.4 x 6.5 inches, weighing at 4.6 pounds, P800 mini conveniently fits into a briefcase, carry bag and backpack for on the go portability. Paired with a hefty 20,800 mAH battery with approximately 3 hours usage, P800 mini creates a perfect visual and aural experience in any location whether the living room, board room or the great outdoors.

P800 mini will be available after at the beginning of 2018 as special edition include an additional modern carry bag at SRP 849€.
